Sir,

I am directed by the General Secretary's No. 3559/1660 dated 5th instant, returning the appropriation statement for certain works in the Tumkur District, and drawing attention to the Public Works Examiners remarks with reference to certain items given in the statements.—

In resubmitting the above statement, has the honor to observe that the sum of Rupees 240 was shewn as the balance available at

at the Deputy Commissioners disposal under Orgl. Misl. Miscellaneous Public Works Improvements &c. as two Notifications of sanction of Rupees 30 each had been issued by the Deputy Commissioner on account of plastering the Native Muzafurkhanahs at Helbur and Nitter — I have Notifications having been subsequently cancelled the grant under this above heads stands at Rupees 300.

2. With reference to the balance of the grant on account of Turnchere Kelleenhulli road, the Deputy Commissioner reports that the actual expenditure from the Maintenance allowance was only Rupees 128. and that the difference is owing to a sum of Rupees 85 spent on the road in question from the Special Grant of Rs. 496 having been erroneously shewn as expenditure from the Maintenance allowance

3. The expenditure of Rupees 60, stated to have been incurred without estimate, was on a regular sanction by the Deputy Commissioner of Sunkur vide Notification No. 2 of 2nd February 1877, forwarded on the 21st idem to the General Secretary. —
